

HOMEOPATHIC FIRST AID CLASS

Homeopathic First Aid and Acute
Care Seminar - Learn to treat

Dates: TBA, usually offered in Spring and Fall

Time: 6:00 to 9:00 PM

Cost: \$150, plus supplies

This seminar is ideal for parents of young children, medical professional and holistic practitioners who want to begin using homeopathy.

During this 2-day seminar, Dr. Herring will introduce you to the basic principles of homeopathy as well as how to use a homeopathic kit of 50 remedies used to treat common conditions such as colds, headaches, flu, insomnia, nervous tension, minor injuries, and other ailments. After the course you will be able to administer homeopathic first aid and acute care and take charge of your family's health right at home!
